	S,W)	Medical Asst (B)		
		Plumbing (B)		
		Sheet Metal (B)		

The following Chapter 74-approved programs <u>are available</u> through SOLVED for students residing in the following districts:

For example: If you live in Cambridge, and you want to enroll in a Chapter 74-approved program that is not offered at CRLS/RSTA, like Electricity, you can apply to enroll as a full time student & to take Electricity at one of the three SOLVED schools that offers it (Boston, Medford, or Somerville). Certain restrictions apply; for further information, contact your local Career & Technical Education Administrator:
