	Metal Fab (B, M, S,W)	Medical Asst (B)		
		Plumbing (B)		
		Sheet Metal (B)		

The following Chapter 74-approved programs are available through SOLVED for students residing in these districts:

For example: If you live in Cambridge, and you want to enroll in a Chapter 74-approved program that is not offered at CRLS/RSTA, like Electricity, you can apply to enroll as a full time student & can take Electricity at one of the three SOLVED schools that offers it (Boston, Medford, or Somerville). Certain restrictions apply, most importantly your application must be approved by both the receiving school and your local Superintendent by April 1; for further information, contact your local Career & Technical Education Administrator:
