

A black t-shirt with white text and stitching. The text is centered on the chest. The word 'Dyslexia' is written in a large, serif font, with dots between the syllables. Below it, 'Awareness' is written in a smaller, sans-serif font, also with dots between the syllables. Below that is the phonetic transcription '[dæs'leksēə]' followed by the word 'noun' in a serif font. At the bottom is a definition in a smaller, italicized sans-serif font. The t-shirt has a crew neck and short sleeves, with white stitching visible along the seams and hem.

# Dys·lex·i·a

A·ware·ness

[dæs'leksēə]·noun

*A general term for difficulty in learning to read or interpret words, letters, and other symbols, but that do not affect general intelligence.*
